Kelly von Borstel

41348 Kingston-Lyons Dr. SE · Stayton, OR 97383
(503) 504-2664 · kellyvonborstel@gmail.com

Technical Skills

HTML | CSS | JavaScript | jQuery | Photoshop | Illustrator | Git

Experience

Designer and Front End Developer, 2004–present
Work samples at kellyvonborstel.com
- Developed cross-browser compatible websites with hand-coded HTML, CSS, and JavaScript
- Wrote media queries with mobile-first approach to ensure good user experience across devices
- Created and optimized images for web and print using Photoshop and Illustrator
- Managed multiple projects and used Git for version control
- Produced complementary print materials such as ads, brochures, and newsletters
- Coordinated with clients, copywriters, photographers, and printers to meet project deadlines

Adjunct Faculty — Austin Community College, 2002–2003
- Taught courses including Design Fundamentals, Typographic Design, and Digital Production Art
- Led design critiques for students to practice giving and receiving constructive feedback
- Helped students find internships and freelance opportunities to apply skills learned in class

Volunteer

International Spay/Neuter Network, 2013–present
Website at spay-neuterjamaica.org
- Designed and developed responsive website for Jamaica-based spay/neuter program
- Worked remotely with staff and copywriter to plan site structure and create content

Prison Pet Partnership, 2006–present
Website at prisonpetpartnership.org
- Designed and developed responsive websites for inmate-run service dog training facility
- Built multiple sites over ten-year period as organization grew and services expanded

Education

AAS in Visual Communication — Austin Community College

BBA in Finance — The University of Texas at Austin
